Welcome to CMS OH!

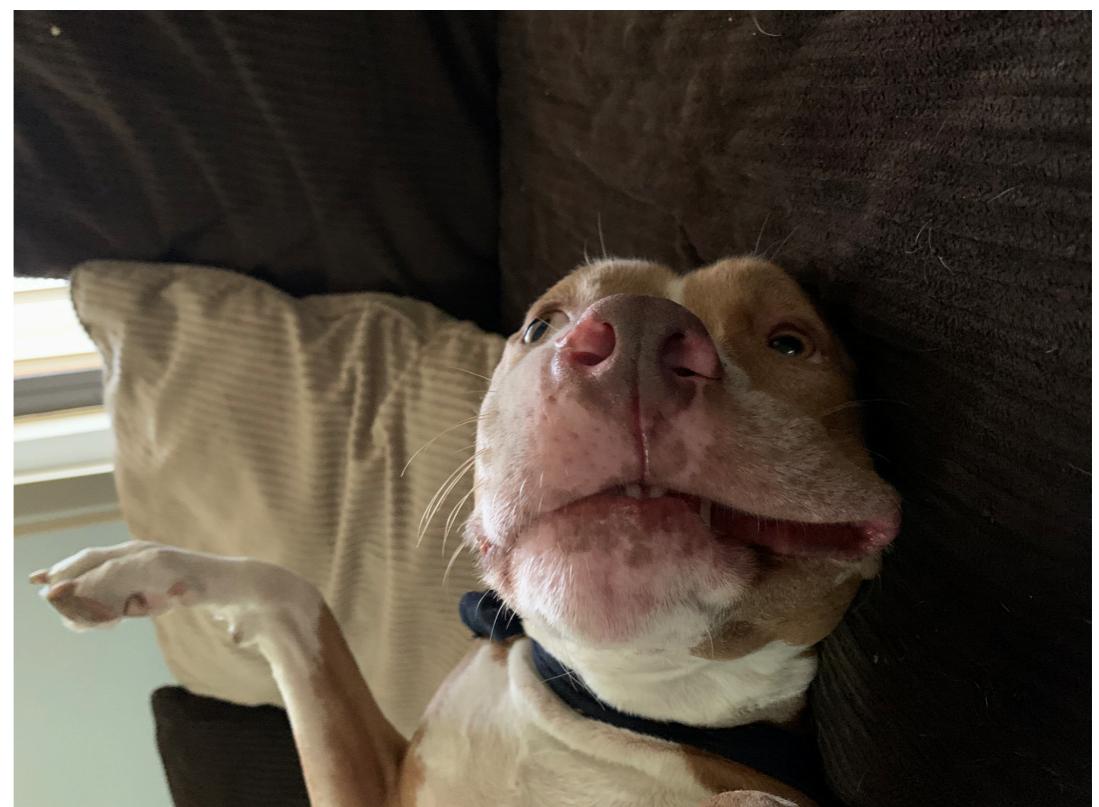

- *What is this place?*
 - ▶ CMS OH is a weekly particle physics forum.
- *What's so special about the forum?* It's a space for undergrads and grad students to:
 - ▶ practice giving presentations
 - ▶ complete programming and physics assignments
 - ▶ share interesting physics knowledge
 - ▶ above all else **collaborate with and learn alongside real physicists** to solve day-to-day physics problems.
- Meet the organizers:

Suz

John

Jake Tanka Boy

What to expect

- Meeting 2x per week 15:30-16:30
 - ▶ Tuesday -"formal"
 - ▶ Fridays -"casual"
